# Station

~Where modern minds meet~

## Session 1

November 1<sup>st</sup>-December 8<sup>th</sup>  
M-Th afterschool-5pm

The Dover School, WCSU, and the 21<sup>st</sup> century grant presents a new innovative after school program: Building community is where learning is launched. Reaching out into the world, exploring thoughts through dynamic experience, challenging what we know, and being in synch with our expectations. The Dover School exemplifies delivering high quality instruction which effectuates positive student outcomes. We aim to expand that delivery in the after-school program.

Schools in our district will work synergistically in raising our future. Creating community among school systems through a district-wide afterschool program enables educators to overlap efforts to improve education. After-school activities that reach academic goals through interactive programming provide the ideal opportunity to imbed what is learned in the classroom. Sharing innovative resources within the school and the community at large allows each recipient to make the most of grant efforts.

**Fun, Interesting, Challenging, Stimulating, Exciting, Innovative, Community Conscious**

*Fee structure is intended to encourage families to contribute what they can afford. Rather than a clear fee for each program, WCSU suggests a contribution of \$20 per program. We realize that when your child enrolls in multiple programs, and/or you have more than one child enrolling in programs, the suggested contribution may not be possible. We leave the decision to you. Please contribute what you can to help WCSU cover the cost of running after-school programs. Our primary goal is to have children attend after-school programs. Please do not let the suggested contribution deter you from enrolling your child/children.*

**Please return registration By October 24<sup>th</sup>**

Questions: [afterschool@doverschool.net](mailto:afterschool@doverschool.net)

*education Station is a fun interactive learning project. Students will be challenged to perform tasks that encourage them to reach beyond their current abilities. Cooperation and a safe environment are essential. Please know that all students are invited to join however participation requires a thoughtful understanding of the undertaking they are participating in. Thank you in advance in helping your children to understand their responsibility in creating a positive learning environment.*

**3:15 free snack/homework/recess**

**3:30-5pm programs**

**MONDAY**

### **Dover Scholars**

Program Leader: Patsy Bemis

**Grades:** 4,5,6 (Limit 12)

**Suggested contribution:** \$20

*Students challenge themselves to do their best for take home assignments!*
